## Explore more

At Kidzroom, we understand the world of children. We know they are curious adventurers with their own opinions and tastes. Especially for them, we create trendy and sustainable items designed to create the most beautiful memories together. From forest to city, from schoolyard to beach, or any other place a child wants to explore: Kidzroom is by your side. Our motto is fittingly, explore more!

#### Sustainability at Kidzroom

At Kidzroom, caring for the planet and a sustainable future is central. For us, sustainability is not just a trend but an essential value we cherish. We understand that the world in which young adventurers grow up requires loving care and responsibility. That's why we are committed to making a positive impact on the environment by making sustainable choices in the production of our products.

Part of our bags are made from recycled plastic. Additionally, we have complete control over our production, from start to finish. This means we closely monitor every aspect of the process, ensuring quality and making sure each product meets our high standards.

#### **Made in Europe**

We strive to produce our products as locally as possible, which not only ensures quality but also reduces our ecological footprint. Part of our production takes place in our factory in Europe.
